

**“I can live  
the life  
I choose!”**

Community Based Support (CBS) is a not for profit, Tasmanian organisation that supports people who are frail, aged or have disability to live the life they choose while living in their home for as long as possible. We dedicate our time to ensuring our client’s quality of life is enhanced by providing the best quality support services to people to maximise their independence. The support we provide is tailored to individual needs and focuses on finding solutions that best suit the person, just like we do with our own families.

**General Services\*** includes personal care, domestic assistance, respite/carer's support, transport to appointments, one-on-one social support and wellbeing visits.

**Social Hubs** are offered at a variety of locations across Tasmania. Hubs are designed to provide options for people to interact with each other socially, as well as offer a place of learning and activities. All activities and events are planned by the people who attend so what you get out of your social hub is entirely up to you. Whether you come for a cuppa and a chat, to learn a new skill, or get out and about in the community, there is always something on offer that will keep you connected to others. Contact CBS and request a copy of our latest program so you can see for yourself.

**Ageing Backwards Exercise Program** works to principles that we can not only slow the physical degradation to our bodies but improve them. Ageing Backwards' ethos towards exercise, is to build strength in our daily movement patterns. All whilst having fun and learning that exercise is easy to make part of our daily life. Please don't think you are not fit enough to join in with us. Everyone is welcome and everyone will walk away with a feeling of accomplishment.

**Home Maintenance (Handyman)** services cover a wide range of small repair and maintenance tasks in the home including repairing or replacing of taps and tap washers, minor repair of doors, furniture and walls, and installation of smoke alarms and key safes. If you have a task that requires a handyman, this service is for you.

## Home Care Package Pricing Schedule

**Travel in support worker vehicle** includes any travel in a support worker vehicle or on the client's behalf. This may be for shopping trips, travel to appointments, social visits with friends and family, or travel to community events and activities such as Tai Chi, knitting, computer classes, expos and more.

**Spring cleaning** is exactly as you would imagine. It includes the bigger jobs that are done on an occasional basis, such as cleaning the oven, cleaning your windows inside and out, dusting high surfaces, cleaning under and around the back of large pieces of furniture etc...

**Occupational Therapy** is an Allied Health Profession that tries to help you bridge the gap between what you can do and what you want to be able to do. They can help with equipment, home modifications, skills training or developing adaptive techniques.

**Sleepover 10pm – 6am (sleeping shift)\*\*** This service is provided as a sleeping shift, usually on the basis that the person needing the support requires someone to be available 'just in case'. An hourly rate applies where disturbances occur.

**Overnight support (awake shift) \*\*** Hourly rates apply.

**Afterhours call** fee will be charged for calls from clients to rearrange/request services. This fee is charged on top of the applicable hourly rate of services provided and is used to cover the administration costs associated with arranging the visit / change outside of normal business hours.

**Case Coordination** achieve a specific goal by assessing, planning, implementing and evaluating all options and services that are required to meet a client's individual health and service needs. After hours calls related to 'case coordination' will be charged the after-hours call fee plus any support hours provided at the relevant rate.

**Other services and products** CBS can arrange other services on your behalf such as gardening or home modifications including bathroom remodelling, ramps and rails, assistive technologies and equipment. Please discuss your service needs with us.
