# Short term accommodation

**CBS offers Short Term Accommodation (STA) respite services at our modern and comfortable property located in Kingston.**

Let us take care of your home away from home arrangements and tailor the experience just how you would like it. It's a chance to try new things, enjoy the comforts of a home environment and recharge.

As they say, a change is as good as a holiday. STA also means your family or carer can get some time to refresh too – everyone wins.

## **The property**

The property is totally accessible, features all the mod cons and has several choices of living areas. Soak up some sunshine in the garden or relax however you do it.

Enjoy close proximity to the local amenities, including a lovely beach with an excellent accessible foreshore walk. Hobart CBD is just a short drive away.
