

# socialhub program

OCTOBER – DECEMBER  
2024

## Welcome

As we transition from spring to summer, the latest CBS social hubs program offers a variety of activities designed to engage and uplift our community. October kicks off with outdoor explorations and creative in-hub sessions, including spring themed art, strolls to scenic spots, and a festive Halloween celebration.

In November, clients can look forward to several outings, from visits to local cafes and vineyards to a Mystery Bus Tour. Creative and community focused activities are a highlight, with opportunities to make Christmas cards, jewellery, and festive treats. The program balances these with regular in-hub events like games, movie days, and BBQs out into the (hopefully) sunny garden areas of the Kingston and New Town social hubs.

December wraps up the year with a festive spirit, featuring Christmas-themed activities across the Hubs. Clients can enjoy celebrations, craft sessions, and outings, all leading up to the grand combined Christmas party at the Tasmanian Golf Club.

The program provides a mix of social, creative, and outdoor activities, ensuring clients can enjoy the lead-up to the holidays in a supportive and engaging environment. As always, the Hub program is designed to build community connections, promote wellbeing, and create memorable experiences for all participants.

**We welcome your suggestions for future programs. If you have ideas for activities or events, please fill out our activity suggestion forms located in our hubs. Your input is valuable to us, and no suggestion is too big or small. We appreciate your involvement in shaping our program.**
