About CBS Prices

1. Unless otherwise stated – prices are \$AUD and exclusive of GST.
2. The prices listed above are the total cost of service. The amount payable by a CBS client (if any) is based on their individual contribution rates determined by the Government.
3. Prices charged are based on the suburb of client's residence. Suburbs in each area are listed below.
4. Prices are based on CBS delivery of services or preferred suppliers of CBS. Based on client need, availability and preferred supplier's business model, some services may be delivered in a clinical setting or at home.
5. If you would like to use an alternative supplier to CBS's preferred supplier, this will need to be agreed through a quote/custom pricing arrangement. All suppliers used to deliver services through CBS must have a current Associated Provider Agreement.
6. All services charged at the unit 'hour' (per hour) are required for a minimum of one hour, excluding Nursing care, Allied Health and Other Therapeutic Services and Therapeutic Services for independent living. Services in these categories will be charged based on the time of your appointment (for example, a 45-minute physiotherapy appointment will be charged at a 3/4 of an hour rate).
7. Further information on what is included and excluded in each of these services is included in the CBS Aged Care Services List (Attachment 1 of the SAH Agreement).
8. IMPORTANT – Any items or services not listed above including purchase of personal products must be agreed in writing between you and CBS prior to making the purchase or the service commencing. The cost of unapproved client purchases may be invoiced directly to you.
