This includes any travel in a support worker vehicle or on the client's behalf. This may be for shopping trips, travel to appointments, social visits with friends and family, or travel to community events and activities. It also includes travel to and from your home for home maintenance and repairs. The travel cost will be in addition to the client contribution.

What are the services?

General Services includes personal care, domestic assistance, in-home respite/carer's support, transport to appointments and one-on-one social support.

Home Maintenance (Handyman) services cover a wide range of small repair and maintenance tasks in the home including repairing or replacing of taps and washers, minor repair of doors, furniture and walls, installation of smoke alarms and key safes. If you have a task that requires a handyman, this service is for you.

Spring cleaning is exactly as you would imagine. It includes the bigger jobs that are done on an occasional basis, such as cleaning the oven, cleaning your windows inside and out, clearing gutters, dusting high surfaces, cleaning under and around large pieces of furniture etc.

Gardening services include basic gardening services such as lawn mowing and pruning. Extensive gardening and landscaping are out of scope for this service.

Social Hubs are offered at several locations across Hobart. Hubs are designed to provide options for you to interact with others socially, as well as offer a place for learning and activities. All activities and events are planned by the people who attend so what you get out of your social hub is entirely up to you.

Ageing Backwards movement program helps older adults improve strength, flexibility, and balance, reducing the risk of falls and enhancing overall well-being. Join our group exercise sessions tailored for people over 65 to prevent muscle loss and maintain an active lifestyle. Led by expert instructors, this program supports healthy ageing in a friendly, social environment.

Other services and products CBS can arrange other services on your behalf such as home adjustments including bathroom remodelling, ramps and rails and other assistive equipment or products. A My Aged Care Referral Code is required.
